## REVISED FALL 14 AFTERSCHOOL REGISTRATION

**Fall 2014 Afterschool term: MONDAY, SEPTEMBER 15 to FRIDAY, FEBRUARY 13, 2015**

*Please use the attached Registration Form to indicate the afterschool program(s) in which you would like to enroll your child. Classes will be formed based on completed registration forms and submission of full payment. Classes will be filled on a first-come, first-serve basis.*

### AFTERSCHOOL POLICIES:

**Payment:** Payment is due with the afterschool registration form. Students will not be considered to be registered for a given afterschool class until payment is received. Enrolled students will receive a confirmation of enrollment prior to the first Afterschool class. Tuition is based on the number of classes per semester.

**Refund:** If a student withdraws from an afterschool class after the first session, a 75% refund will be issued. If the student withdraws from an afterschool class after the second session, a 50% refund will be issued. Following the third session, no refunds will be issued.

**Minimum enrollment:** Each afterschool class must have a minimum of 3 students enrolled by September 13th. If the minimum enrollment is not met, the class will be cancelled, and tuition will be refunded.

**Pick up:** Students must be picked up promptly at the conclusion of each weekly class. Frequent late pickups may lead to dismissal from the Afterschool program. **Clubs (C) end at 3:30 and Sports (S) end at 3:45.**

*If you have any questions, please contact Beth Fried, [bfried@aaronschool.org](mailto:bfried@aaronschool.org) or 212-867-9594 x4102.*

### PROGRAM DESCRIPTIONS (continued on next page):

#### **MONDAY:**

**Jewelry Making:** Bring your fashion sense and love for color! If you are interested in making jewelry, this is the class for you. We will design necklaces, bracelets, ankle bracelets and rings using all different types of beads and string. It will be lots of fun to see what we can design and a great bonding experience for students! Instructor: Jane Heisler. Open to students K-7<sup>th</sup>.

**Throwback Sports (S):** This program is run by Mike Cohen, head coach of *Throwback Sports*. He teaches this program at other schools and privately on the weekends. Students are exposed to a wide variety of sports in a non-competitive, fun class. Team play, sportsmanship, and active participation are developed through a variety of games and skill practice activities. Please contact Mike at 917-822-0116 to discuss any specifics pertaining to the class. Open to students K-3<sup>rd</sup>.

**Music Video Club (C):** Have you ever been caught break dancing in front of your mirror or rapping in your room? If so, join the Music Video production team. Students will learn about the film industry and the software, *iMovie*, by creating fly choreography, composing original beats and/or remixes, and producing/editing in this exciting after school project. Be prepared to collaborate as a team, have fresh ideas, and have tons of fun as we put Aaron School's musical talent on the map! Instructor: Grace Goodrich. Open to students 1<sup>st</sup>-7<sup>th</sup>.

## **TUESDAY:**

**Creative Corner (C):** Creative Corner will teach students step-by-step how to make a variety of theme, read aloud and holiday based arts and crafts projects inspired from their imagination. Students will explore using recyclable materials to create many different hands-on projects. Students will have a blast spending time with friends and meeting new peers, while stimulating their creative energy. Instructor: Sarra Eisenstadt. Open to students K-5<sup>th</sup>.

**Sports Club (S):** Students will now be given the opportunity to enhance their athletic abilities in a variety of sports. Each week there is a sport that is played in more depth than what is offered during the PE classes. Sports will include basketball, baseball, football, soccer, and hockey. Along with learning the skills, there will be an emphasis on the strength and conditioning necessary to excel at each sport (i.e. sprinting and pushups for basketball). Fall Instructor: Coach Mike. Open to students in grades 3<sup>rd</sup>-7<sup>th</sup>.

**Magic School Bus in the Art Room (C):** Come take chances, make mistakes and get messy in the Art Room this fall!! We will transform the Art Room into our very own magic school bus and journey through the center of the Earth, dive under the ocean, travel back in time and blast off into outer space. In this exciting after school program students will exercise their imaginations and engage in creative play while they experiment with a variety of art materials and techniques, including drawing, painting, ceramics, simple sculpture, video, media and more! Instructor: Dana Helwick. Open to students: K-5<sup>th</sup>.

## **WEDNESDAY:**

**YogaZone: Lions and Tigers and Bears . . . Oh my! (S):** DramaZone's playful yoga class brings yoga to life through lots of yoga games, strings of poses & exciting yoga/acting exercises where children become the characters & animals themselves. Children strengthen their bodies while developing proper yoga technique. Class goal is to teach children to stretch, breath & focus but mostly that yoga is fun! Open to students K-5<sup>th</sup>. (Please sign attached waiver)

## **THURSDAY:**

**Book Club (C):** How would you like to read for fun WITHOUT homework! Come join Book Club where students and teachers will gather together to share their favorite books. Each week, we will all read from our book selection, and then discuss what we have read to share our thoughts and opinions. This is an opportunity to finish your nightly reading logs while still at school on Thursdays. Instructor: Rebecca Cimino. Open to students 4<sup>th</sup>-7<sup>th</sup>.

**Iron Chef Cooking (C):** Students will participate in fun cooking activities while socializing and sharing nutritional recipes and ideas with friends. Chosen recipes will accommodate any health or allergen needs. Science & math concepts will be reviewed through activities that involve mixing, measuring, counting, and observing. This class will also ensure that students are exposed to and understand basic dining etiquette. At the completion of the course, students will cater a party for parents to showcase their favorite recipes! Not only is this class a great way to expose students to the fun world of food preparation, it also provides further reinforcement to academic material that students are introduced to throughout the school year. Instructor: Maggie Breslin. Open to students K-3<sup>rd</sup> grade.

## **FRIDAY:**

**Rock Band (C):** Students will experiment with the different instruments found in a typical rock band. In the first half of the club students will have instruction on how to play the guitar, the drum set, the piano, the voice, and electronic music. Then students will form their own rock band! They will rehearse a song of their choice on the instrument of their choice. Students will learn the essential elements of writing and arranging a song, as well as the process musicians go through rehearsing and recording their own music. Students will also create their own band name, genre and style. The club culminates with students recording their song or performing their song live! Instructor: Genevieve Marino. Open to students 3<sup>rd</sup>-7<sup>th</sup>.

**Puppetry (C):** In this afterschool program we'll design, build, and play with our very own puppets. We'll start by repurposing everyday objects and work our way up to more advanced forms and techniques. We'll take as our guidebook the classic rules of improvisation: commit to the choice, tell the story, embrace the unexpected. Through developing characters and storylines - and a lot of hands-on practice - we'll work towards that special moment when the puppets tell *us* what to do, not the other way around. Instructor: Ben Freeman. Open to students K-3<sup>rd</sup>.

**Basketball (S):** The Aaron School basketball club will practice 1x/week at the Vanderbilt YMCA on 47<sup>th</sup> Street. The team will receive a uniform for participation in basketball games against other local schools. Practice runs from 2:45-3:45 and will work on basketball skills, such as dribbling, passing, shooting, offense, and defense. Sportsmanship and teamwork will also be key components taught during this fun intramural program. Instructors: Ryan Soltan. Open to students 5<sup>th</sup>-7<sup>th</sup>.
