

About Us:

Camp Green Tree provides students with the opportunity to take part in a summer experience that incorporates academics, social skills, and pragmatic language development through an enriched recreational program!

Camp is open Monday-Friday from 8:15-2:30. Aaron School teachers plan and lead theme-based sessions that weave together reading, math, social skills, art, music, athletics, park visits, and field trips.

As part of the athletic enrichment, campers will swim at the YMCA and take soccer classes with Super Soccer Stars. These activities will be run by outside professionals, but supervised by Camp Green Tree staff.

Let's Get in Touch!

CAMP GREEN TREE

An Aaron School Program at 45th Street

SUMMER 2018

Supporting the learning and social needs of campers through a fun and active recreational program!

Registration

Camp Green Tree is open to students who are entering kindergarten through 7th grade.

Campers and activities are divided into age-appropriate groupings.

- The cost is \$2,230 for each two-week session, or \$6,680 for all three sessions.
- The cost is \$8,850 for all three sessions with therapeutic services.
(Speech, Occupational Therapy, & Counseling)
- Therapeutic services are available upon request. Contact us to personalize these services.
- Sign up by March 30th for an early bird special!

****NEW THIS SUMMER**** For students entering 6th and 7th grade, campers can choose to be part of our C.I.T program! These older campers will take on a leadership role during periods throughout the day and mentor in a younger classroom!

Session 1: June 25 - July 6

Passport around the World!

Make sure you have your bags packed - in this session campers will mark off their passports as we take a look at different places around the world! We will have lots of fun as we embark on an adventure around the globe, learning about different countries and cities around the world, all while activating our imaginations and stamping our passports along the way!

Session 2: July 9 - July 20

Cooking with COLOR

Yum! When you're cooking with color, you're eating healthy! In this session, campers will become expert chefs while taking a focus on nutrition! Campers will learn about the different food groups, and "traffic light foods" that make our bodies healthy! We will engage in cooking and baking activities, while using tactile tools and ingredients, and following step-by-step instructions from different recipes. With a pinch of fun, and a dash of creativity, we have the recipe for the perfect summer!

Session 3: July 23 - August 3

Drop your anchors and get ready to dive into the open waters of the ocean. In this session campers will explore the deep ocean and the animals that live there. We'll discover everything from the ocean floor to the sea shores. This last session is "shore" to be oceans of fun!
